Entry forms are also available on our website and can be downloaded at

[www.artshow.camberwellrotary.org.au](http://www.artshow.camberwellrotary.org.au).

The site will be regularly updated with information. Please note the alteration to size restrictions on the entry form and the extension of the number of entries per artist to 6 works. Completed entry forms must be received by March 14 at PO Box 178 Canterbury, Vic 3126

**Please note that you must attach the relevant section of the entry form to the back upper left hand corner of each painting so that pricing and title can be verified on receipt of works**  
**MAXIMUM SIZE- DO NOT SUBMIT WORKS WITH ANY DIMENSION EXCEEDING 1.4 M – THEY WILL BE REJECTED.**

## **FRAMING**

**We are aware of a demand for unframed works but our prime concern is the protection of the work. WE WILL ACCEPT UNFRAMED PAINTINGS ONLY IF THE ARTIST ACCEPTS RESPONSIBILITY FOR THE INCREASED RISK OF DAMAGE DURING HANDLING AND SUFFICIENT PROTECTION IS PROVIDED FOR THE CANVAS ON DELIVERY.**

You are requested to ensure that the recording of your credit card details for the Handling Fee is correct, particularly the expiry date and the recording of the name of the card holder as per the card. Your attention is also drawn to condition 6.0 relating to insurance which is your responsibility.

## **GST**

You are asked to pay particular attention to the entry requirements with regard to GST; your compliance is essential. Entries with no information in this section will be rejected.

## **DELIVERY**

The only accepted methods of delivery is in person or by Courier Service. Due to space and labour restrictions we are no longer able to accept freight deliveries. Paintings must be delivered and picked up free of cardboard and or other rigid packaging. Loose sleeves and bubble wrap will be accepted. We are unable to offer a return freight service- artists who cannot deliver and pick-up in person or via proxy must use a specialist courier service. A list of local and interstate couriers is provided at the end of this newsletter.

## **PAINTING SELECTION**

The Show receives entries far in excess of the numbers that can be hung in the space available. The Chairman of the Judging Panel views each and every work submitted and assesses each on merit, for inclusion prior to the formal judging. The Committee reserves the right to interchange works that are categorised 'Received – Not Hung' with works that are sold. We are continually reviewing layout and conduct of the Show to enable the greatest number of works to be exhibited.

## **COLLECTION**

Works not exhibited may be collected Friday 30th April and Saturday 1May by arrangement Ph 03 9882 0229. A fee will be charged for paintings not collected before 6pm on May 02.

## **PRIZES**

Significant changes were made to prize categories for the 2008 Show. **To further promote the prestige of the Show, Silver and Bronze Awards have been retained, in addition to our much sought after Gold category.**

These additional categories, together with a restructuring of other categories provide significant prize money. They will enable our entrants to receive due recognition for the full range of works which are submitted. Please read the conditions of entry carefully to ensure that the value of your works comply with the parameters of the award categories and our acquisition policy for these prizes. It is anticipated the prize pool this year will be more than \$60,000.

## **DO WE HAVE YOUR RECORDS?**

The Rotary Club of Camberwell maintains a database of artists. Names are deleted after a five year period of non-participation in the Show.
